Description

Grounds is a vibrant platform where audiences can experience groundbreaking music from emerging and renowned international artists across diverse genres. The venue hosts weekly concerts featuring styles ranging from Turkish folk to Afro beats, Latin to Sahara blues, providing a rich tapestry of global sounds.

Beyond live performances, Grounds actively contributes to the cultural climate of Rotterdam West by offering a stage for local talents and organising community events. They are also developing a second stage, Lab Grounds, in the historic HBS building in the city centre's Oude Westen district, aiming to transform it into a significant creative hub for musicians and dancers.
