Description

Theater 't Kapelletje is an intimate, community-focused performing arts space tucked away behind the Schiekade in Rotterdam Noord, Netherlands. Housed in a historic 1930s chapel that originally belonged to the Emmahuis building, this cozy neighborhood theater has a maximum capacity of 89 seats arranged around a flat-floor stage. It serves as a vital hub for local amateur theater networks while also hosting independent music, dance, cabaret, and family-friendly productions.
